

RAHUL PATIL

Flutter Developer | 3+ Years Experience

+91 9904251895 | rahuldpatil505@gmail.com | LinkedIn: [Rahul Patil](#) | [Portfolio](#) | Ahmedabad

PROFESSIONAL SUMMARY

Flutter Developer with 3+ years of experience building scalable cross-platform Android and iOS applications. Proficient in Flutter, Dart, BLoC/Cubit, Firebase, REST APIs, Clean Architecture, Google Maps, Push Notifications, Firebase Cloud Messaging (FCM), and performance optimization. Experienced in developing, deploying, and maintaining production-ready mobile applications published on the Google Play Store and Apple App Store. Skilled in API integration, native platform features, Agile development, and AI-assisted development using Claude AI and ChatGPT.

TECHNICAL SKILLS

Languages & Frameworks: Flutter, Dart | State Management: BLoC, Cubit, Provider, GetX | Architecture: Clean Architecture, MVVM, SOLID Principles | Mobile: Cross-Platform Development, Native Android Integration, iOS Optimization | Backend: REST APIs, JSON Parsing, HTTP, Firebase | Databases: SQLite, Firebase Firestore, Shared Preferences | UI/UX: Material Design, Responsive UI, Custom Widgets, Animations, Performance Optimization | Tools: Git, GitHub, Postman, Play Store, App Store, Firebase Console | Methodologies: Agile, Scrum, CI/CD, Debugging, Unit Testing

PROFESSIONAL EXPERIENCE

Flutter Developer | **BanasTech Private Limited**, Ahmedabad | **Dec 2023 – May 2026**

Developed cross-platform mobile applications using Flutter and Dart for Android and iOS, implementing BLoC/Cubit state management with REST API integration and JSON data handling.

Built responsive UI components with Material Design, error handling, logging, and performance optimization for production-ready applications.

Resolved critical bugs and technical issues, improving application stability and user experience; mentored junior developers through code reviews and technical guidance.

Flutter Developer / Intern | **Global Garner Sales & Services**, Ahmedabad | **Jan 2023 – Oct 2023**

Designed and developed Flutter mobile application with Firebase integration, responsive UI, database integration, authentication, and clean architecture principles.

KEY PROJECTS
